

## Listino Prezzi | musicbook

| Product   |      | IVA inclusa |
|---|------|-------------|
| <b>musicbook: COMBO.</b><br><b>The complete music system with Streaming 4.0.</b><br>Housing milled from a solid aluminum block   Convenient app for smartphone + tablet (Landscape), iOS + Android   HighRes streaming, also in studio-master quality, up to 384 kHz/24 bit + DSD 256, via LAN/ WLAN   UPnP/DLNA streaming from music servers (NAS) + storage media (harddisk, USB stick)   room ready   5 streaming providers: TIDAL, Qobuz, Deezer, Spotify, and HighResAudio   Dual antenna for AC+N WLAN standards to ensure high data rates   Smart re-sampling of all digital signals, optionally native or DSD, with MEMS femto-clock (<0.2 ps jitter)   AK4493 world-class converter   Top-level analog preamp   Powerful onboard headphone amplifier   Top-level onboard phono preamp (MM)   Class-D power amplifier with 2 x 125 W of output power @ 4 ohms   Premium grade integrated phono stage (MM)   Connection to an external CD drive via USB   Bluetooth AAC   Free IR remote control included   GREEN PRODUCT: extremely low energy consumption (<6 W) | euro | 4.900,00    |
| <b>musicbook: SOURCE II.</b><br><b>The universal music source with Streaming 4.0.</b><br>Housing milled from a solid aluminum block (9 kg/19 lbs)   Convenient app for smartphone + tablet (landscape), iOS + Android   HighRes streaming, also in studio master quality, up to 384 kHz/24 bit + DSD 256 via LAN/ WLAN.   Streaming UPnP/DLNA from music servers (NAS) + storage media (harddisk, USB stick)   room ready   5 streaming services: TIDAL, Qobuz, Deezer, Spotify, and HighResAudio   Dual antenna for WLAN standards AC+N ensures high data rates   Intelligent re-sampling of all digital signals, either native or DSD,   with MEMS Femto-Clock (<0.2 ps jitter)   World-class converter with AK4493 in mono mode   Top-level analog preamp with on-board headphone amplifier   Premium grade integrated phono stage (MM)   Connection to an external CD drive via USB   Bluetooth AAC   Free IR remote control included   GREEN PRODUCT: extremely low energy consumption (<6 W)  | euro | 3.900,00    |
| <b>musicbook: SOURCE.CD II.</b><br>The universal music source with Streaming 4.0 and internal CD drive.   | euro | 4.200,00    |
| <b>musicbook: POWER 500 II.</b><br><b>The potent class-D power amp in N-Core technology.</b><br>Housing milled from a solid aluminum block (9 kg/19 lbs)   2 x 250 W into 4 ohms   N-Core technology: ample power reserves, no distortions, ultra high damping factor   Excellent sound on all loads and over the entire frequency spectrum   Load stable down to 2 ohms – suitable also for extremely power-hungry loudspeakers   Vertical bi-amping mode with 10-step bass level control  | euro | 2.900,00    |
| <b>musicbook: POWER 1000 II.</b><br><b>The potent class-D power amp in N-Core technology.</b><br>Housing milled from a solid aluminum block (9 kg/19 lbs)   2 x 500 W into 4 ohms   N-Core technology: ample power reserves, no distortions, ultra high damping factor   Excellent sound on all loads and over the entire frequency spectrum   Load stable down to 2 ohms – suitable also for extremely power-hungry loudspeakers   Vertical bi-amping mode with 10-step bass level control   | euro | 3.900,00    |

## Listino Prezzi | Limetree

| Product  |      | IVA inclusa |
|--|------|-------------|
| <b>Limetree Phono II</b> <ul style="list-style-type: none"> <li>• All-purpose phono preamplifier with separate inputs for MM and MC.</li> <li>• Easy installation. Variable impedance for MC (50 – 400 ohms).</li> <li>• Excellent measurement engineering. Very low noise and distortion values.</li> <li>• Closely toleranced SMD parts of highest quality, noise-free power supply.</li> <li>• Exceptionally open, detailed and natural sound.</li> </ul>   | euro | 795,00      |
| <b>Limetree Network II</b> <ul style="list-style-type: none"> <li>• Network player with studio master playback quality.</li> <li>• LAN, WLAN, Bluetooth, all codecs, PCM 384, DSD 256.</li> <li>• Roon ready.</li> <li>• Music from UPnP/DLNA server, USB stick and harddisk.</li> <li>• With a connected CD-ROM drive also usable as a high-class CD player.</li> <li>• Online streaming: Qobuz, TIDAL, Deezer, HighResAudio, Spotify, radio and podcast.</li> <li>• ES9038 Sabre DAC with MEMS femto clock for almost zero-jitter playback.</li> <li>• Top-quality analog preamp with analog volume control.</li> <li>• Top sound even at low volume levels.</li> <li>• Excellent sounding headphone amp with up to 100 mA of output current.</li> </ul> | euro | 1.195,00    |
| <b>Limetree Bridge II</b> <ul style="list-style-type: none"> <li>• Network bridge with studio master playback quality.</li> <li>• LAN, WLAN, Bluetooth, all codecs, PCM 384.</li> <li>• Roon ready.</li> <li>• Music from UPnP/DLNA server, USB stick and harddisk.</li> <li>• With a connected CD-ROM drive also usable as a high-class CD player.</li> <li>• Online streaming: Qobuz, TIDAL, Deezer, HighResAudio, Spotify, radio and podcast.</li> <li>• Digital output for external D/A converters – extremely low jitter due to FemtoClock re-sampling.</li> <li>• Selectable re-sampling mode: native or up-sampling.</li> </ul>   | euro | 1.020,00    |
| <b>Limetree USB DAC</b> <ul style="list-style-type: none"> <li>• Digital-to-analog converter (S/PDIF / USB Audio Class 2) with playback up to DSD 512 and PCM 768 kHz.</li> <li>• ES9038 Sabre DAC with MEMS femto clock: Hyperstream II architecture for jitter-free playback.</li> <li>• Analog volume control via remote control supplied as standard.</li> <li>• Absolute top-class headphone amplifier for 16 – 200 ohms headphones.</li> <li>• Analog line-level output to connect power amps or active loudspeakers.</li> </ul>   | euro | 995,00      |

## Listino Prezzi | Loudspeaker

| Product   |      | IVA inclusa |
|---|------|-------------|
| <b>MOVE</b><br><b>The radically different monitor loudspeaker.</b><br>40 Hz to 10 kHz with a single driver   AMT super tweeter up to 35 kHz   Totally lossless   Time coherent   No suspension of the voice-coil   Like great headphones - only better   Music in unprecedented naturalness and transparency. | euro | 3.590,00    |
| <b>GROOVE</b><br><b>Active bass extension. Available from fall 2023.</b>  |      |             |
| <b>LOUDSPEAKER STAND (pair)</b><br><b>The perfect accessory to the MOVE.</b>  | euro | 340,00      |

Listino ufficiale ottobre 2023
